SCHOOL OF COMPUTER SCIENCE AND ENGINEERING

ASSOCIATION OF COMPUTER SCIENCE ENGINEERING STUDENTS (ACSES)

EVENTS HELD

About the School

Started in the year 1985, the Department of Computer Science & Engineering, with the illustrious BVBCET background, today offers the following degree programs: 1. Bachelor of Technology (Computer Science & Engineering) 2. Master of Technology (Computer Science & Engineering) The Department is pillared by the qualified and experienced faculty; and backed by the student-centered teaching learning processes based on excellent pedagogic practices. Good industrial interface and the experienced alumni nurture the eco system of the department. The curriculum design for the programs is aligned to the industry needs. Programming, Algorithms, Software Engineering, Databases, Operating Systems, Compilers and Graphics and Visualization form the core of the curriculum. Soft Computing, Networking, Web Technologies, Embedded Systems and System Software (Distributed, Grid etc.) are the curriculum threads.

ACES Association Event Details 2021-22

Sl.No	Date	Name of the Event	Type	Resource Person	Remarks
1.	15-09-21	Placement Experience	Career	Himanshu Goyal	75+ students attended
2.	30-09-21	Profile Building for Higher Education and placement	Webinar	Mr Satish Anand	100+ students attended
3.	05-10-21	Talk by Megha Jain	Career	Megha Jain	150+ students attended
4.	01-01-22 to 20-02-22	Wids Datathon	Contest	SoCSE Students	100+ students
5.	05-03-22	Engineering 101	Webinar	GDSC Club	150+ students attended
6.	19-03-22	Fundamental: Complete Placement Guide	Career	Pradnya A, Gunjan M, Sujay T, Anusha R	150+ students attended
7.	09-04-22	Neophytes 3.0	Welcome Event	SoCSE Students	250+ students attended
8.	11-04-22 to 13-04-22	DSA Workshop	Workshop	Prof Deepak Mehta	125+ students attended.
9.	01-05-22	Convocation Day	Convocation	SoCSE Students	300+ students attended.
10.	30-08-22	Technical Talk On "Recent Advances in Medical Image	Workshop	Dr Kumar Rajamani	75+ students attended

		Processing Technologies"			
11.	17-09-22	What's Ahead? Amagi Interview Experience	Career	Nagraj Hegde	100+ students attended
11.	24-09-22	Placement Preparation	Career	Abhishek P M	50+ students attended
12.	08-10-22	Alumni Meet	Student Interaction	25 Batchmates of CSE 1992-1996	75+ students attended
13.	08-10-22	Web 3.0 The New Internet?	Live Talk	Sudeep Gumaste	150+ students attended
14.	02-11-22 to 05-11-22	Fun Week	Fun Week	SoCSE students	3rd Year students
15.	09-11-22	Tech Talk on Cloud Opportunities and Technologies	Webinar	Dr Phalachandra	100+ students

Message Circulated:

✨Warm greetings from the Association of Computer Science and Engineering✨

Ms. Megha Jain, a graduate of our college, has done wonders by cracking one of the world's most challenging exam, and we are proud of her.✨😍

Also, Guess what?

She will be here to interact with us about her path from engineering to UPSC, including all of the obstacles and problems she encountered, as well as the tips and methods she learned along the way that helped her crack the exam🤼

📆 5th October, 2021

📍 CSC313, Clite

🕛 12:00 pm

Come listen to her inspiring and informative talk and gain some valuable insights that will assist you in accomplishing our goals.

FUN-DAMENTALS: COMPLETE PLACEMENT GUIDE

NOTICE

Date: 19th March 2022

All the students are hereby informed to attend the "Fun-damentals: Complete Placement Guide" Session which is scheduled on 19th March, 2022.

Audience: SOCSE students

Venue: BT Auditorium

Timing:11am

Staff Coordinator **Head of School**

Message Circulated:

Hello everyone!

We are the Bits & Bytes, the bearer of good news! Placements and it's clutter! Starting from, Am I prepared enough? Am I worthy enough? Do I stand a chance at a legit company? Why this? How come that? Get all your questions and doubts answered in Fun-damentals. A panel of seniors who have put the right efforts & got placed in amazing companies are here to clear the clutter. Everything about placements: The do's and don'ts, the process, the roles, the loopholes, the mistakes, the right perspectives and the right preparation. Followed by a QnA session, bring forth your questions.

Yo guys, lay back and enjoy the delightful surprise awaiting you at the end of event, keep guessing.

Kindly note: Registration is

mandatory. Date-Saturday

19/03/2022 Time: 11 am

onwards at BT Auditorium.

Hurry up and register via the linkbelow:

✨ Hello Student Devs! ✨

We are from the Google Developer Student Club of KLE Technological University and welcome you to upcoming exciting talk on Web3: The New Internet? 🌐

Everyday we come across emerging technologies and their many versions that bring solutions to some of our problems and give us new challenges to solve. One of today's exciting & emerging technologies is Web 3! 💡

Wait, what is Web 3? 😶

You're all aware of the World Wide Web, the service that along with the internet has made search engines, social media, online shopping, online payments, OTT, cryptocurrency, and so much more possible.... 🤔💭

One of our alumni, Sudeep Gumaste, a Web3 frontend developer at Slice, will be giving an introduction to Web3, the new version of the world wide web, what it entails and how it changes the internet as we know it! 😎

So, hurry up and register now! 📝

Message Circulated:

Greetings from ACSES

Hope you all are doing well!

Today many aspects of everyday life have been transformed by the omnipresence of software that runs on cloud networks.

What exactly is the cloud, how does one use it, and what are its benefits for businesses, developers, researchers, government, and students?

Despite the growing presence of cloud computing, its details remain obscure to many.

To know and gain more knowledge about the trending cloud technologies and various opportunities,

ACSES presents to you a Technical talk on "CLOUD TECHNOLOGIES AND OPPORTUNITIES" by, Dr. Phalachandra HL

So join in and take an advantage of this opportunity to acquire more knowledge in the field of Cloud Computing

Hope to see you in large numbers!

Date: 9th November,2022

Time: 10:30 am

Venue: MBA Seminar Hall.
