Advance Digital Logic Design(ADLD) Senior Junior Interaction:

Title	ADLD Domain Interaction
Event Category	Interaction
Description	The School of Electronics and Communication conducted ADLD Domain Senior Junior Interaction. Topics covered as a part of the workshop were the importance of digital VLSI in today's world, how to prepare for placements, tips for aptitude preparation, and interviews were among the topics covered throughout the interaction. TI, Skandsy's, and other companies' hiring processes and eligibility criteria were discussed.
Student/Faculty Attendees	118
Resource Person	Shreyank Kamalapur(Batch 2021-22) Sairachan(Batch 2021-22)
Platform	MS Teams
Date	12 th February 2022

School of Electronics & Communication Engineering

The screenshot shows a Microsoft PowerPoint presentation in 'Slide Show' mode. The title bar indicates the file is 'placement - PowerPoint' and the user is 'Shrayank Kamalapur'. The ribbon includes 'File', 'Home', 'Insert', 'Design', 'Transitions', 'Animations', 'Slide Show', 'Record', 'Review', 'View', and 'Help'. The 'Slide Show' ribbon is active, showing options like 'From Beginning', 'From Current Slide', 'Custom Slide Show', 'Set Up Slide Show', 'Hide Slide', 'Rehearse Timings', 'Record', 'Play Narrations', 'Use Timings', 'Show Media Controls', 'Monitor', and 'Use Presenter View'. The slide content is as follows:

Opportunities

- VLSI Companies on-campus (2021-2022):
Alpha-IC, Si-Five, Skandysys..
- Off-Campus Opportunities:
 - There are very less chances to be selected in top companies from off-campus.
 - There are examples of students getting offer from Qualcomm, Intel, AMD, Analog Devices.
 - Strong LinkedIn profile is must. (Connect with HR's)
 - Strong Resume (Project) is must.
 - Try getting reference.
 - Don't hesitate to post in LinkedIn.

The slide is the 4th of 15 slides. The bottom status bar shows 'Slide 4 of 15', 'English (India)', 'Accessibility: Investigate', 'Notes', 'Comments', and a zoom level of 63%. A taskbar at the very bottom shows several application icons, including a clock at +74, and several circular icons with letters like 'NN', 'SR', and '0'.

AV Senior Junior Interaction:

Title	AV Domain Interaction
Event Category	Interaction
Description	The School of Electronics and Communication conducted AV Domain Senior Junior Interaction. This interaction is basically designed to know the tips for Aptitude Preparation, placement preparation and Interviews. Bosch, Mercedes-Benz, and other companies' hiring processes and eligibility criteria were also discussed.
Student/Faculty Attendees	157
Resource Person	Abhishek Koppa(Batch 2021-22) Nihal Algur(Batch 2021-22)
Platform	MS Teams
Date	11 th February 2022

School of Electronics & Communication Engineering

Technical Interview Questions

- Tell me something about yourself
- Why did you choose Bosch?
- Explain your projects
- Questions regarding projects were asked(Make sure you know every part of your project in detail)

- Difference between controller and a processor.
- Tell me about the architecture present in the controller or processor and differentiate between them.

- Asked me certain questions on 8051 microcontroller
 - Questions on different registers of 8051
 - Explain the architecture of 8051
