3.5 DATA PROTECTION: -

You acknowledge that the Company will hold personal data relating to you. Such data will include your employment application, address, references, bank details, performance appraisals, work, holiday and sickness records, salary reviews, remuneration details and other records (which may, where necessary, include sensitive data relating to your health and data held for equal opportunities purposes). This is being done to comply with its obligations regarding the retention of your records. By signing this contract, you agree that the Company may process personal data relating to you for personnel administration and management purposes and may, when necessary for those purposes, make such data available to its advisers, to third parties providing products and/or services to the Company and as required by law.

3.6 MONITORING OF COMPUTER SYSTEMS: -

The Company will monitor messages sent and received via the email and voicemail system to ensure that employees are complying with the Company's policy, as may apply from time to time, for use by its employees of these systems. The Company reserves the right to retrieve the contents of messages for the purpose of monitoring whether the use of the email system is in accordance with the Company's best practice, for the purpose of performance management, for the purpose of monitoring whether use of the computer system is legitimate, to find lost messages or to retrieve messages lost due to computer failure, to assist in the investigations of wrongful acts or to comply with any legal obligation.

You should be aware that no email or voicemail sent or received through the Company's system is private. The Company reserves and intends to exercise its right to review, audit, intercept, access and disclose on a random basis all messages created from it or sent over its computer system for any purpose. You should be aware that the emails or voicemails or any document created on the Company's computer system, however confidential or damaging, may have to be disclosed in court or other proceedings. An email which has been trashed or deleted can still be retrieved.

The Company further reserves and intends to exercise its right to monitor all use of the internet through its information technology systems, to the extent authorized by law.

3.7 GENERAL: -

These terms must be read in conjunction with the **Company's Employee Handbook**.

You are required to comply with all the Company's rules, code of conduct, regulations and policies from time to time in force and to comply with the Company's lawful and reasonable instructions.

You hereby authorize the Company to deduct from any salary payable to you any sums owing by you to the Company. This contract shall be governed by and construed in accordance with Indian law and the parties agree to submit to the jurisdiction of the Indian Courts.

You represent and warrant that you are not bound by or subject to any contract, court order, agreement, arrangement or undertaking which in any way restricts or prohibits you from entering into this employment.

This offer is subject to you clearing a pre-employment screening and/or reference check to company's satisfaction. The results of this may not be made available at the point of you accepting and agreeing to the terms and conditions of any employment contract offered by company. If the reference check report discloses information which the Company (in its sole discretion) feels conflicts with the company interests, the employment shall automatically be made null and void.
