

## Bone Density Check-up Drive

Event Date: September 4<sup>th</sup>, 2021

Guest: Dr. Kasturi Donimath, HOD OBG dept. KIMS

*Teachers' day was celebrated to commemorate the birth anniversary of Dr. Sarvepalli Radhakrishnan, an educationist at heart. September 5th is a special day to celebrate the teacher's day for their significant contributions in shaping the life of students. On the eve of this day, Women Empowerment Cell, KLE Technological University Hubli, organized a Bone Mineral Density (BMD) check-up drive for women staff in association with KIMS Hubli. The drive was arranged on **4th September 2022** in KLETECH Medical Centre.*

# Self Defence Techniques for Girls

Date of Event: 28/02/2022

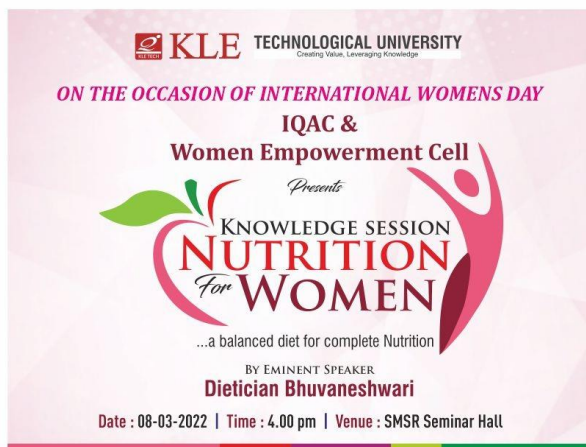

*The most important aspect of self-defence for women is the ability to defend themselves against anything that is socially incorrect. Nothing is more empowering than having the confidence to assess a dangerous situation and take appropriate action to overcome it.*

*So, KLE Technological University's Anti-Sexual Harassment and Women Empowerment Cell along with Women Doctors Wing of Indian Medical Association on **28<sup>th</sup> February 2022** have taken a step forward in achieving this and helping our generation to stand equally and to stand strong against doing anything against their will by inviting a group of trainers from Aspire Sports Karate Academy to our campus for this session.*

# NUTRITION OF WOMEN

- Senior Physiotherapist and a Sports Rehab Specialist

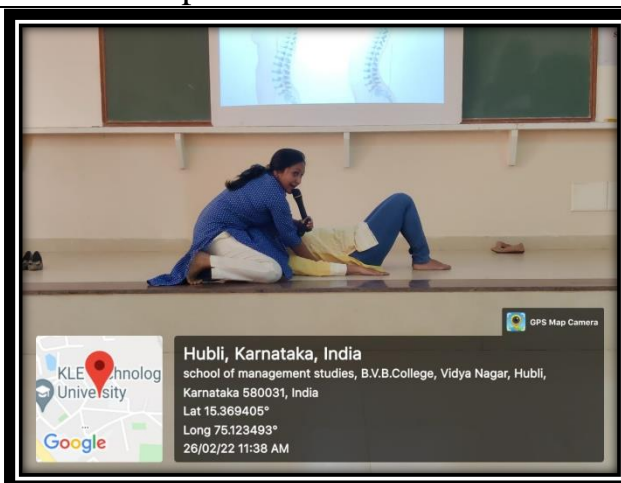

**KLE TECHNOLOGICAL UNIVERSITY**  
Creating Value, Leveraging Knowledge

Women Empowerment Cell  
in Association with  
**Sattwam Physiotherapy & Fitness Clinic**

Organise  
**Knowledge Session on  
Spine Health & Women Fitness**

Date: 26/2/2022 Time: 11 to 12.30  
Venue: Mech. Seminar Hall

An event on Spine Health and Women Health was held on **February 26<sup>th</sup>, 2022** and organized by IQAC & Women empowerment cell of KLE TECHNOLOGICAL UNIVERSITY.

We mistreat our spines. We slouch, we hunch, and we twist and turn in uncomfortable ways to get comfortable in the short term. Hence it is a must to know the importance of taking care of our spine. So, KLE Technological University has taken a step forward in achieving this and helping women to stand strong

*and maintain posture by inviting Dr. Vijetha Halepet Harapanahalli, a senior Physiotherapist and a Sports Rehab Specialist to our campus for this session and to train and demonstrate a few moves and exercises to stay healthy.*
