Letter of Invitation

To

Capstone Design Fair (International Session)

September 21th, 2017

Dear Prof. Arunkumar Chandrashekarappa Giriyapur,

We would like to invite you to E² Festa 2017 (Engineering Education Festival 2017) held on Nov. 9th and 10th, which is the largest festival of engineering community in Korea. You can see the overall view of programs at <http://www.e2festa.kr/>

Capstone Design Fair is one of main programs of E² Festa 2017, where over 200 outstanding capstone design works from around 100 Korean universities will be shown in the exhibition. In particular, International Session will be held in parallel with domestic Capstone Design Fair, where foreign universities' works of excellence are invited for sharing mutual experience of capstone design and boosting further collaboration for globalization of engineering education.

Your university has been selected by the recommendation of Hub Universities of ICEEs (Innovation Center for Engineering Education), and we would like to invite your capstone design team(s) with their work(s) to the exhibition of E² Festa 2017 at Kimdaejung Convention Center in Gwangju city.

Your partner Hub ICEE has discussed with you on how many teams and students will be coming and what kinds of support will be provided. If you or your student plan to stay longer than the official period or additional participants want to come to the E² Festa 2017, please send us a prior notice for arrangement of their accommodation but additional expenses arising therefrom should be paid by your budget.

Please refer to "Guidelines for Participants" attached herewith for more information and we would like to ask for your reply regarding on "2. Participants" and "6. Accommodation" not later than September 26th 2017. I am sorry for giving you a short time for reply and preparation.

We hope that E² Festa 2017 will be a meaningful and exciting event to you and your students.
