need of the hour. Protection of IPR and its commercialization propagates innovative culture, profitability, market leadership and helps creation of wealth for the individual and eventually the Nation. For that IPR awareness is required which is significant for fruitful growth of the Intellectual property rights (IPRs).

In view of above a one day awareness workshop on “IPR, Patents and Patentability Assessment”, has been conducted at MBA Seminar Hall, KLE Technological University, Hubli on 4th September 2018 by the IP Cell.

Participation was very encouraging from various departments of KLE Technological University, Hubli in the workshop. There were 75 enthusiastic participants including faculty from KLE Technological University, Hubli , from departments and research scholars who participated in the day long deliberations of the workshop on IPR. The programme included talks on importance of IPRs and their protection, Patenting procedures and patent informatics, patent searches, role of innovation and invention in the academia-industry collaborations, trademark and copyright protection, issues of do's and don'ts for a researcher in the context of publishing and patenting.

Mr Niraj Panchal, who delivered an illuminating Keynote address on “Intellectual property Rights in India”, wherein the participants were made aware of importance of IP, types of IP, IP activities carried out by IPO, trends of patent filing in India and abroad and success stories on capitalizing of IP. This created a buzz among the audience and was very much appreciated by the participants
