
155. Protecting Technoical Innovation using patents and patent information for research and development

18TH FEBRUARY 2017

Report on Workshop on Protecting Technical Innovation Using Patents and Patent Information for Research and Development *Organised by :* KLE Technological University, Hubballi

About KLE Technological University

KLE Technological University (KLE Tech) has its roots in B. V. Bhoomaraddi College of Engineering and Technology, Hubli (BVB), one of the premier engineering institution of Karnataka. The founding organization KLE Society, Belgaum, established BVB college in 1947 with an aspiration of creating an institution that would lay the foundation of modern engineering education in northern region of Karnataka.

Title: *Workshop on Protecting Technical Innovation Using Patents and Patent Information for Research and Development*

Date: 18th February 2017

Resource Person: Dr Ravi Guttal

About Workshop

The KLE Technological University, Hubli has organized an **Workshop on Protecting Technical Innovation Using Patents and Patent Information for Research and Development** on - 18th February 2017, 4.00 PM to 6.00 PM, Venue - MBA Seminar Hall, by Dr Ravi Guttal , Head Director CIPD, KLE Technological University

155. Protecting Technoical Innovation using patents and patent information for research and development

Workshop Objective:

The workshop aims to create IPR awareness among the Researchers . Intellectual property rights help protect the mind's creations that include inventions, literary or artistic work, images, symbols, etc. To create a product, publish a book, or find a new drug, intellectual property rights ensure that the researcher works. These rights protect the creation or work from unfair use by others. This article will discuss different types of intellectual property rights and learn how they can help researchers.

The following topics were covered in workshop:

- Importance and scope of IPR in Research.
- What is called Technical innovation.
- How to identify research area for idea to be patented.
- How to do Prior art Search.
- How to keep track of the invention in the market

Details of the Resource Person:

Dr Ravi Guttal – Presently working as Director, Center for Innovation and Product Development, MSME Business Incubator
previously worked as Vice President, India Program Management, Manufacturing Strategy and Operations from Jan2010 to Mar2016 ,Head, Harvesters and Crop Solutions from Sep 2009 – Sep 2010.

Education:

Rensselaer Polytechnic Institute - The Lally School of Management and Technology
PGDM Field Of Study Business Administration and Management
Graduation 2003 – 2004

Rensselaer Polytechnic Institute Ph.D Field Of Study Computational Mechanics
Graduation 1990 – 1995

Carnegie Mellon University
MS Field Of Study Robotics
Graduation 1989 – 1990

He is a Experienced leader demonstrated with capabilities of leading engineering, operations and product program management teams. Skilled in Product Innovation, Design and Development, Operations, Lean Six Sigma, Strategic planning and Business Development. Strong analytical skills and people management capabilities.

155. Protecting Technoical Innovation using patents and patent information for research and development

The poster features a green background with white and red text. At the top center is the KLE Technological University logo, which includes a red square with a white 'e' and the text 'KLE Technological University' and 'KLETECH' below it. The main title is 'Workshop on Protecting Technical Innovation Using Patents and Patent Information for Research and Development'. Below this, it states 'Organized by KLE Technological University Hubballi'. The speaker is 'Dr. Ravi C Guttal', Head IPFC, Director CIPD, KLE Tech University, Hubballi. The venue is 'MBA Seminar Hall' and the date is '18th February 2017'. The timing is '4.00 PM to 6.00 PM'. The attendees are 'Anybody who are interested in filing Patents.' At the bottom, a grey bar contains the text 'Entry Free - For all' in red.

Workshop on
Protecting Technical Innovation Using Patents and
Patent Information for Research and Development
Organized by
KLE Technological University Hubballi
Speaker
Dr. Ravi C Guttal
Head IPFC, Director CIPD,
KLE Tech University, Hubballi.
Venue - MBA Seminar Hall Date - 18th February 2017
Timing - 4.00 PM to 6.00 PM
Who can attend: Anybody who are interested in filing Patents.
Entry Free - For all
