## 19. Research initiatives in Architecture by Dr. Harimohan Pillai

"A ONE DAY WORKSHOP ON

**"QUANTITATIVE AND QUALITATIVE RESEARCH INITIATIVES IN ARCHITECTURE - TIPS AND TRICKS"**

It was conducted by Dr. Harimohan Pillai on 25<sup>th</sup> June 2019 at School of Architecture, KLE Technological University, Hubballi

Professor & Dr. Vinaya Hiremath, Head SOA welcomed the participants to the workshop and gave the introduction to the workshop. Professor Gururaj Joshi introduced the resource person Dr. Harimohan Pillai from Thrissur to the participants. 23 faculty of School of Architecture participated in the workshop.

The workshop emphasized the following aspects

1. Sketching is basic skill of an Architect, writing is an additional skill.
2. Research writing process: selecting a topic, researching making an outline, writing research paper
3. Types of research:
  - a. Quantitative
  - b. Qualitative
4. Selecting the research venue
5. Surviving the PhD
6. Selecting the guide/Supervisor
7. Completion and writing up
8. Publish your PhD in public domain

This workshop generated awareness and understanding about Research methods in Architecture. Also explore various aspects of relationship between design and the built environment.
