Details of the event/Report:

Arun Bellary, belongs to the North Karnataka Region. He recently joined a company which invests in start-ups. Further to this, they are looking at collaborating with organizations in Japan, to realise a fund, which can be pooled and funded into Indian start-ups, especially in Tier – 2 cities like Hubli. With this intention, he visited CTIE start-ups and interacted with them, asked them to share the business proposal, with highlighting on funds required to build business further. Start-ups shared their business proposal with Mr. Arun.

Number of Participants: 20
