
55. Workshop on Patent Monetization

9TH SEPTEMBER 2019

Report on workshop on Patent Monetization *Organised by :* KLE Technological University, Hubballi

Title: *Workshop on Patent Monetization"*

Date: 9th September 2019

Resource Person: Shri Arun Patil

No of Participants: 76.

About Workshop

The "Workshop on Patent Monetization" held on 9th September 2019 by Shri Arun Patil The event is planned to provide awareness and build an entrepreneurial mindset among engineering students to incorporate problem-solving skills through their creative potential to convert crude ideas into Products. The session plan will chain continuous learning to students phase-by-phase during an idea's journey to the product stage. The expert speaker guidance will impact healthy discussions, thereby providing and information exchange platform for budding entrepreneurs. The case study sessions will motivate the students to come forward and participate in this entrepreneurial journey. Successful young entrepreneurs will lead to a driving force to the student community to become a part of this IPR program. This event is a complete journey for awareness regarding Idea generation, Idea nurturing financial assistant steps, and Technical Support.

Session deliverables:

Role of projects ideas as stepping stone towards entrepreneurship

- Preface for project idea work
- How to select a problem statement
- What should be the outcome of the project
- Where to have idea pitching and checks
- Is validation important? How to get validated the right way
