

69. Advances in wireless communication

Registration Form
One Day International Workshop on
"Advances in Wireless Communication"

Name of the Participant:

Designation:

Department:

College Name:

Address:

Contact Number:

Email id:

Bank ID No. with Date

Signature with seal
Head of the Institute

Signature of the Applicant

Registration Details:
Registration fee of Rs.500/- to be remitted through On-line / NEFT to the Bank Account given below.

Bank Name	Syndicate Bank
Account Holder Name	<i>The Principal, BVBCET, Hubballi</i>
Account No.	<i>13442010002019</i>
IFSC Code	<i>SYNB0001244</i>
Branch	<i>BVBCET Campus, Hubballi</i>

Contact Persons:

Suhas B. Shirol: 9035203578
subashshirol@bvb.edu

Rohit Kalyani: 9731187923
rohit.kalyani@kletech.ac.in

Note: Duly filled application to be submitted on or before 19-07-2018

TEQIP sponsored
One Day International Workshop
On
"Advances in Wireless Communication"
21st July 2018
Organized by
School of Electronics & Communication Engineering
KLE Technological University, Hubballi.

<p>Chief Patron Dr. Ashok S. Shettar Vice Chancellor, KLE Technological University, Hubballi</p> <p>Organizing Chair Dr. Uma Mudenagudi Dean R&D, KLE Technological University, Hubballi.</p>	<p>Patron Prof. B. L. Desai Registrar, KLE Technological University, Hubballi</p> <p>Convener Dr. P. G. Tewari Principal, BVB College of Engineering and Technology, Hubballi</p>
---	---

Coordinator
Dr. Nalini C. Iyer
HoS, School of ECE,
KLE Technological University, Hubballi

69. Advances in wireless communication

About K.L.E Technological University (Formerly known as BVBCET)

Established in 1947, K.L.E Technological University (BVBCET) has achieved an enviable status due to a strong emphasis on academic and technical excellence. From a modest beginning when the college offered only an Undergraduate program in civil engineering, the college has indeed come a long way. KLE Technological University offers eight UG and nine PG programs and is accredited by NBA. The college has adopted Outcome Based Education (OBE) framework to align the curriculum to the needs of the industry and the society. Innovative pedagogical practices in the teaching learning process from the academic eco system of the institution. The active involvement of the faculty in research has led to the recognition of eight research centers by the university. There is always a sense of vibrancy in the campus and it is perennially bursting with energy through a wide range of extracurricular activities designed and run by student forums to support the academics.

About School of Electronics & Communication

School (Department) was established in 1979 and is the pride of Karnataka. The graduates from this school are playing a vital role in the IT revolution and are instrumental in placing Karnataka on the global IT landscape. Presently the School offers Post Graduate programs in 'Digital Electronics' and 'VLSI Design and Embedded System's'. Active engagement of faculty in research has led to recognition of department as a research center by the University. E&C students are placed in major industries such as IBM, Motorola, Siemens, Alcatel, Intel, Microsoft, ISRO, BEL, Juniper networks, Mercedes Benz, BOSCH, KPIT, SAMSUNG, and SANKALP SEMICONDUCTOR.

Advances in Wireless Communication

The workshop focuses on exploring recent advances and developments in modern wireless communication along with the advanced signal processing techniques to improve the performance of automated classification, identification, recognition, synthesis, coding and transmission systems. The workshop will provide a unique opportunity for participants in regards to the advanced techniques and methods developed in the field of wireless communication which will be helpful in future endeavor in industries and research activities.

Organizing Committee:

Prof. Ujwala Patil
 Prof. Suneeta Budihal
 Prof. Ramakrishna.S
 Prof. Suhas B Shiroi
 Prof. Rohit Kalyani

Program Details:

Resource persons	Affiliation	Topics Covered
Dr. B. N. Bharath	Assistant Professor, Department of Electrical Engineering, Indian Institute of Technology, Dharwad.	<ul style="list-style-type: none"> Wireless communications: Past, Present and Future. Learning to cache in a Cellular network with time varying popularity profile.
Dr. Vaneet Aggarwal	Assistant Professor, School of Industrial Engineering, Purdue University, USA	<ul style="list-style-type: none"> Cloud Storage Systems: Latency Analysis and Caching Strategies
Dr. K. P. Naveen	Assistant Professor, Department of Electrical Engineering Indian Institute of Technology, Tirupati.	<ul style="list-style-type: none"> Mobile Data offloading: Optimization and Game Theoretic Approach.

About Resource Persons

Dr. B.N. Bharath completed his B.E. degree in Electrical and electronics from B. M. S. College of engineering in 2005. After a short stint in the industry, he joined as a direct Ph.D student in the ECE Dept. of IISc, Bangalore in 2007. After completion of his Ph.D in 2013, he worked at Qualcomm Inc. He joined PESIT as a professor in Sep. 2014. Currently, he continues to teach and enjoy research at Indian Institute of Technology, Dharwad. His research interests are in the broad area of signal processing and machine learning for communication problems.

Dr. Vaneet Aggarwal received the B.Tech. degree from the Indian Institute of Technology Kanpur, Kanpur, India, in 2005 and Ph.D. degrees from Princeton University, Princeton, NJ, USA in 2010. He is currently an Assistant Professor in Operations Research at Purdue University and an Adjunct Professor in the Department of Electrical Communications Engineering at IISc Bangalore. He is Senior Member of IEEE, and has been a Program Cochair for 3rd International Workshop on Software-Defined Data Communications and Storage (SDDCS) 2017.

Dr. K.P. Naveen received the B.E. Degree in Electronics and Communication Engineering from the Visveswaraiah Technological University, Belgaum, in 2005, and the Ph.D degree from the Department of Electrical Communication Engineering, Indian Institute of Science, Bangalore, in 2013. Subsequently, he first worked as a Postdoctoral Fellow with the INFINE team at INRIA Saclay, France. He has also worked at the ISRO Satellite Centre, Bangalore (Jan 2006 - July 2007). He is currently an Assistant Professor at the Department of Electrical Engineering, Indian Institute of Technology, Tirupati.
