
90.Understanding the importance of IPR in research

15TH MARCH 2019

Report on Workshop on Understanding the Importance of IPR in Research *Organised by :* KLE Technological University, Hubballi

About KLE Technological University

KLE Technological University (KLE Tech) has its roots in B. V. Bhoomaraddi College of Engineering and Technology, Hubli (BVB), one of the premier engineering institution of Karnataka. The founding organization KLE Society, Belgaum, established BVB college in 1947 with an aspiration of creating an institution that would lay the foundation of modern engineering education in northern region of Karnataka.

Title: Workshop on Understanding the Importance of IPR in Research

Resource Person: Adv Sujata Laxmeshwar

Date: 15th March 2019

About Workshop

The KLE Technological University, Hubli has organized an **Workshop on Understanding the Importance of IPR in Research** on - 15th March 2019, 4.00 PM to 6.00 PM, Venue - MBA Seminar Hall. by Adv Sujata Laxmeshwar,

Workshop Objective:

The workshop aims to create IPR awareness among the Researchers . Intellectual property rights help protect the mind's creations that include inventions, literary or artistic work, images, symbols, etc. To create a product, publish a book, or find a new drug, intellectual property rights ensure that the researcher works. These rights protect the creation or work from unfair use by others. This article will discuss different types of intellectual property rights and learn how they can help researchers.

90.Understanding the importance of IPR in research
