Letter of Appreciation

Dear Dr. V S Yaliwal,

We would like to express our appreciation to you for successful completion of Ph.D in Mechanical Engineering Sciences for your thesis titled **Performance, Combustion And Emission Characteristics Of A Single Cylinder Direct Injection Compression Ignition Engine Operated On Dual Fuel Mode Using Honge Oil And Producer Gas** under the guidance of Dr. P G Tewari, Dean (AA), KLE Technological University and co-guidance of Dr. N R Banapurmath, Professor School of Mechanical Engineering. We look forward for your continued contribution to significant growth in research in future also and bring laurels to our esteemed Institution.

With Best Wishes,

Registrar

KLE Technological University

Dean (R&D)
