## Certificate of Appreciation

This is to certify that KLE Technological University, Hubballi has been working with ekLakshya Innovations Labs since 2016 on the **Abdul Kalam Susandhi Fellowship Program**.

ekLakshya Innovation Labs is a training and research organisation, focussing on VLSI, Internet Of Things and Software development.

The Abdul Kalam Susandhi Fellowship Program selects meritorious students hailing from low-income households in India. Through a well-charted out fellowship program and placement options, we educate, empower and embolden them into working professionals. Our focus on social awareness also enables them to work as catalysts in the transformation of their communities, localities and the country as a whole.

## Certificate of Appreciation

KSHEA, set up by the Government of Karnataka in 2015, strives to promote research, innovative practices and social responsibility in higher education institutions in the State of Karnataka. It intends to conduct workshops on ICT based teaching and learning, digitization of Library, e-Governance, preparing Research Project Proposals for submission to R&D agencies, student mentoring, class room management and so on. It also proposes to work in partnership with institutions to resolve strategic challenges such as administration, retention, assessment, employability and to support 'workforce development'. The Academy wishes to influence all aspects of higher education in our state such as teacher accreditation, curriculum and evaluation processes, by conducting extensive education technology research. It also proposes to set up an international quality teaching resource repository and library to support and aid teachers.

This is to certify and appreciate K.L.E Technological University, Hubballi for its association with Karnataka State Higher Education Academy, Dharwad (KSHEA) since 2017 in designing and execution of various training programmes for teaching and non-teaching staff of Government colleges in the state of Karnataka.

Thanking you,

Yours Sincerely

Dear Nalini Iyer,

Greetings from NCVPRIPG 2019.

We look forward to seeing you at NCVPRIPG at KLE Technological University, Hubballi during 22nd-24th December 2019.

The NCVPRIPG 2019 program schedule is available at <http://ncvprapg.kletech.ac.in>

We are writing to request you to serve as a **Session Chair** for the tutorial session "**On-Device Depth Estimation for Visual Scene Understanding**" on December 22nd from 09:00 AM to 03:30 PM.

Kindly send your consent for the same.

Looking forward for your presence at the session.

Thanks and Regards,

NCVPRIPG 2019 Team

To Whom It May Concern,

By this letter, I would like to explain the contributions of Dr. Mrs. Suneeta V. Budihal from Visweswaraiiah Technological University-Belgaum as a Peer Reviewer of the 2nd International Conference on Sensor Networks and Signal Processing (SNSP2019) to be held in National Dong Hwa University, Hualien, Taiwan during November 19th-22nd, 2019.

SNSP conference is committed to providing forum for academic experts and participants to exchange their experiences and share research results about all aspects of Sensor Networks and Signal Processing, and discuss the encountered practical challenges and the adopted solutions.

For each manuscript submitted to the Proceedings of the SNSP conference, it is required that at least two excellent reviewers who are not only competent in the technology but also are familiar with the existing literature. Their role is finally to determine if the submitted manuscript has a high scientific level and is worth for publication.

Dr. Mrs. Suneeta V. Budihal has provided excellent feedback on the following article  
*A Novel Position-shift Method of Double-phase Fresnel Hologram for Synthesizing a Complex Fresnel Hologram*  
after carefully analyzing merits of the paper with regards to scope, applications, research methodology, experimental techniques, and verification of mathematical equations, data interpretation and grammar.

Dr. Mrs. Suneeta V. Budihal's substantial contributions to maintain the standards of SNSP Conference are greatly appreciated.

Sincerely,

 SNSP Organizing Committee

Advances in Science, Technology and  
Engineering Systems Journal

Respected **Faculty Member,**

The Advances in Science, Technology and Engineering Systems Journal (ASTESJ) welcomes competent academicians to join us as reviewers. Being a reviewer is a matter of prestige and personnel achievement. ASTESJ follows a strict set of guidelines while accepting the applicant as a reviewer of ASTESJ. The minimum set of qualifications for being a reviewer of ASTESJ are listed below;

- Should be a holder of PhD degree or at least enrolled in PhD in a recognized university.
- Should be an author with a minimum of a 2 publications in reputed journals/conference.

Brief Note :

The United Nations, aware that the protection and improvement of the human environment is a major issue, which affects the well-being of peoples and economic development throughout the world, designated 5 June as World Environment Day. The celebration of this day provides us with an opportunity to broaden the basis for an enlightened opinion and responsible conduct by individuals,

enterprises and communities in preserving and enhancing the environment. Since it began in 1974, it has grown to become a global platform for public outreach that is widely celebrated in more than 100 countries

World Environment Day is the biggest annual event for positive environmental action and takes place every 5 June.

The theme for World Environment Day 2018, hosted by India, was "**Beat Plastic Pollution**", which was a call to action for all of us to come together to combat one of the great environmental challenges of our time. The theme invited us all to consider how we can make changes in our everyday lives to reduce the heavy burden of plastic pollution on our natural places, our wildlife – and our own health.

## 2019 CELEBRATIONS

World Environment Day 2019 will be hosted by China, with a theme of "**Air Pollution**". We can't stop breathing, but we can do something about the quality of air that we breathe.

Approximately 7 million people worldwide die prematurely each year from air pollution, with about 4 million of these deaths occurring in Asia-Pacific. World Environment Day 2019 will urge governments, industry, communities, and individuals to come together to explore renewable energy and green technologies, and improve air quality in cities and regions across the world.

Air Pollution facts:

- 92 per cent of people worldwide do not breathe clean air
- Air pollution costs the global economy \$5 trillion every year in welfare costs
- Ground-level ozone pollution is expected to reduce staple crop yields by 26 per cent by 2030

## Certificate of Appreciation

KSHEA, set up by the Government of Karnataka in 2015, strives to promote research, innovative practices and social responsibility in higher education institutions in the State of Karnataka. It intends to conduct workshops on ICT based teaching and learning, digitization of Library, e-Governance, preparing Research Project Proposals for submission to R&D agencies, student mentoring, class room management and so on. It also proposes to work in partnership with institutions to resolve strategic challenges such as administration, retention, assessment, employability and to support 'workforce development'. The Academy wishes to influence all aspects of higher education in our state such as teacher accreditation, curriculum and evaluation processes, by conducting extensive education technology research. It also proposes to set up an international quality teaching resource repository and library to support and aid teachers.

This is to certify and appreciate K.L.E Technological University, Hubballi for its association with Karnataka State Higher Education Academy, Dharwad (KSHEA) since 2017 in designing and execution of various training programmes for teaching and non-teaching staff of Government colleges in the state of Karnataka.

Thanking you,

Yours Sincerely

Certificate of Appreciation

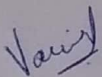

Respected Sir,

We the board of management & entire team of RAPID sincerely appreciate the efforts and endeavor of KLE Technological University in supporting Non-profit organization like us through student projects which assist us in enhancing our engagement, efficiency with the community we serve. The skill sets and enthusiasm they carry in implementing the projects and support given to them by university is really appreciable and in particular KLE University being the only one to extend this kind of engagement in the entire region.

We also acknowledge the great social consciousness of this university which we have witnessed over the last 4-years in the form of providing work to women in our Vinyasa Handicraft Unit, which results in improved livelihood for them.

We look forward to the continued association with your esteemed university.

In case the Travel Coordinator does not contact you soon and in case of any difficulty, you may please contact NBA at phone Nos. 011-24360992/011-24360620, 22.

9. Your kind attention is also invited to Para 3.4.3 of the Manual of Accreditation (General) which states that prior to the visit to the Institute, at any circumstance, the member of Evaluation Team should not contact Institution directly.

10. NBA shall be highly thankful for your sincere, impartial and objective evaluation and assessment of the program, which will not only benefit NBA, but will also be beneficial to the entire technical education system in India.

Yours faithfully,

  
Member Secretary

National Board of Accreditation

PS: It has been observed that the experts while en-capsuling their findings into the reports, do not mention the shortcomings identified during the visit in the report. It is also observed that expert's oral comments in the meeting during the visit are also not mentioned in the evaluation report. It is, therefore, requested that each and every evaluator should ensure compliance about the mentioned observation.

Please ensure that reports are filled by the Chairman and Evaluators with Pen only and not with Pencil. Kindly prepare the reports in such a manner so as to avoid corrections. However, if there is any correction to be made, it may kindly be just crossed and authenticated with signature. Correcting fluid should not be used.

The visit will take place from 26th to 28th October, 2018. You have been nominated to evaluate the UG Electronics and Telecommunication Engineering program.

3. You are requested to accept membership of the Expert Team.

4. The following documents are attached:

- a) Self Assessment Report (SAR) sent by the Institute for U.G. - Electronics and Telecommunication Engineering program mentioned above (soft copy only).
- b) Pre-visit Evaluation Report Proforma.
- c) A copy of the pre-visit qualifiers for the UG Electronics and Telecommunication Engineering program submitted by the Institute is enclosed in soft copy. You are requested to corroborate and authenticate the pre-qualifiers data submitted by the Institute as part of the proceedings
- d) Evaluation Guidelines-SAR Tier II (UG Engineering)
- e) Part- A: Evaluator's Visit Report (UG Engineering Tier II), containing the following:
  - (i) Program Evaluator Summary
  - (ii) Program Details
  - (iii) Explicit observations about the program
  - (iv) Information for evaluation
  - (v) Department/Program Specific Criteria.

Part- B: Program Assessment Worksheet- Program Level Criteria – To be assessed by Evaluator (Tier II).

Part-C: Declaration and Feedback

- (i) Declaration form – may be filled and sent to NBA
- (ii) Feedback form about the Institution, Co-evaluator and Chairperson  
Feedback form to be filled about Service Provider

Both the forms to be filled and sent by the evaluator to NBA, directly through email ID: [feedback.nba@nbaind.org](mailto:feedback.nba@nbaind.org). No hard copies of the filled Feedback forms are required. Please note that it is compulsory to submit the Feedback form which may be sent within 3 days after conclusion of the visit.

- (i) List of documents/records to be verified during the visit
- (ii) Visit Schedule to be followed by the Team.
- (iii) TA/DA form to be filled and submitted to Chairman for COO's signature and sending to NBA.

5. You are requested to kindly peruse the SAR thoroughly and prepare the pre-visit report well in advance. The pre-visit report may be sent to the Chairman of the Visiting Team through email id [dtram@ee.iisc.ernet.in](mailto:dtram@ee.iisc.ernet.in); [dtram\\_2001@yahoo.com](mailto:dtram_2001@yahoo.com) at least 2-3 days before the visit along with important points/observations identified which will be discussed in a meeting of Team members to be held in the hotel of stay in the evening of 25th October 2018. It is also expected that the evaluators would be ready with the list of documents/evidences to be checked during the visit at this time.

The pre-visit report may also be sent to the Member Secretary, NBA through email id: [membersecretary@nbaind.org](mailto:membersecretary@nbaind.org)

6. The Institute has applied for accreditation of its program in Tier II format. Therefore, the program will be evaluated as per evaluation guidelines mentioned above. After evaluation of the program is over, the documents (i) Part A - Evaluator's Visit Report and (ii) Part B - Program Assessment Work Sheet duly filled may please be submitted to the Chairman of the Team who will send the same to Member Secretary, NBA alongwith his report.

7. You are requested to obtain the following documents from the Institution in respect of the **Electronics and Telecommunication Engineering program** and to carefully check the veracity thereof:

- I. Faculty list with profile of each faculty involved in the program evaluated including their designation, qualifications and joining date;
- II. List of students during the current academic year in the program evaluated (Separately for 1st, 2nd, 3rd and 4th year).
- III. List of placements made for the last three academic years providing the data of each student placed in the following manner: Student name, ID Card No. / University Serial No., discipline, year of passing from Institution, On/Off Campus Placement, Name of the Employer and their Website, Date of Interview and Date of Appointment Letter/Job offer.

The above documents may be obtained from the institution on the first day of the visit.

8. All arrangements for your travel, board and lodging for the visit will be made by our authorized Travel Coordinator who will be contacting you soon to draw up your travel itinerary in consultation with you. In case the Travel Coordinator does not contact you soon and in case of any difficulty, you may please contact NBA at phone Nos. 011-24360992/011-24360620, 22.

9. Your kind attention is also invited to Para 3.4.3 of the Manual of Accreditation (General) which states that prior to the visit to the Institute, at any circumstance, the member of Evaluation Team should not contact Institution directly.

10. NBA shall be highly thankful for your sincere, impartial and objective evaluation and assessment of the program which will not only benefit NBA, but will also be beneficial to the entire technical education system in India.

Yours faithfully,

  
Member Secretary  
National Board of Accreditation

PS: It has been observed that the experts while en-capsulating their findings into the reports, do not mention the shortcomings identified during the visit in the report. It is also observed that expert's oral comments in the meeting during the visit are also not mentioned in the evaluation report. It is, therefore, requested that each and every evaluator should ensure compliance about the mentioned observation.

Please ensure that reports are filled by the Chairman and Evaluators with Pen only and not with Filler. Kindly prepare the reports in such a manner so as to avoid corrections. However, if there is any correction to be made, it may kindly be just crossed and authenticated with signature. Correcting fluid should not be used.

## Certificate of Appreciation

This is to certify that KLE Technological University, Hubballi has been working with ekLakshya Innovations Labs since 2016 on the **Abdul Kalam Susandhi Fellowship Program**.

ekLakshya Innovation Labs is a training and research organisation, focussing on VLSI, Internet Of Things and Software development.

The Abdul Kalam Susandhi Fellowship Program selects meritorious students hailing from low-income households in India. Through a well-charted out fellowship program and placement options, we educate, empower and embolden them into working professionals. Our focus on social awareness also enables them to work as catalysts in the transformation of their communities, localities and the country as a whole.

## Certificate of Appreciation

KSHEA, set up by the Government of Karnataka in 2015, strives to promote research, innovative practices and social responsibility in higher education institutions in the State of Karnataka. It intends to conduct workshops on ICT based teaching and learning, digitization of Library, e-Governance, preparing Research Project Proposals for submission to R&D agencies, student mentoring, class room management and so on. It also proposes to work in partnership with institutions to resolve strategic challenges such as administration, retention, assessment, employability and to support 'workforce development'. The Academy wishes to influence all aspects of higher education in our state such as teacher accreditation, curriculum and evaluation processes, by conducting extensive education technology research. It also proposes to set up an international quality teaching resource repository and library to support and aid teachers.

This is to certify and appreciate K.L.E Technological University, Hubballi for its association with Karnataka State Higher Education Academy, Dharwad (KSHEA) since 2017 in designing and execution of various training programmes for teaching and non-teaching staff of Government colleges in the state of Karnataka.

**Subject:** Visit of Expert Team to Anurag Engineering College, Ananthagiri (Village), Kodad (Mandal), Nalgonda, Telangana- 508206 from 18<sup>th</sup> to 20<sup>th</sup> August, 2017 to evaluate its UG Engineering programmes in Tier-II format for grant of NBA accreditation.

Sir,

Anurag Engineering College, Ananthagiri (Village), Kodad (Mandal), Nalgonda, Telangana- 508206 applied for accreditation of its following UG Engineering programmes on 25/09/2014 in Tier II format:

1. Civil Engineering
2. Electronics & Communication Engineering

2. An Expert Team has been constituted under the Chairmanship of Prof. G. Venkatachalam (Former Adjunct Professor of Civil Engineering, IIT Bombay) **Residential Add:** No. 10 Apollo Devi Society, Dixit Road, Vile Parle(E), Mumbai- 400057, **M: 09820605352, 022-26147080, Email: [gveecivil@gmail.com](mailto:gveecivil@gmail.com)**; with yourself as one of the Members to visit the Institute for evaluating the programmes. The visit will take place from 18<sup>th</sup> to 20<sup>th</sup> August, 2017. You have been nominated to evaluate the U.G. – Electronics & Communication Engineering Programme.

3. You are requested to accept membership of the Expert Team.
4. The following documents are attached:

- a) Self Assessment Report (SAR) sent by the Institute for U.G. – Electronics & Communication Engineering Programme mentioned above (soft copy only).
- b) Pre-visit Evaluation Report Proforma.
- c) General Evaluation Guidelines.
- d) Evaluator's Visit Document, containing the following:
  - (i) Evaluator Programme Summary
  - (ii) Programme Evaluation Work Sheet - Part A
  - (iii) Programme Evaluation Work Sheet - Part B
  - (iv) List of documents/records to be made available by the Institution during the visit.

Feedback form to be filled by Chairperson/Evaluator about Service Provider.  
**Both the forms to be filled and sent to NBA separately through email ID: [feedback.nba@nbaind.org](mailto:feedback.nba@nbaind.org). No hard copies of the filled Feedback forms are required. Please note it is compulsory to submit the feedback form which may be sent within 3 days after conclusion of the visit.**
  - (viii) TA/DA form - to be filled and submitted to Chairman for countersignature and sending to NBA

Contd/...

5. You are requested to kindly peruse the SARs thoroughly and prepare the pre-visit report well in advance. The pre-visit report may be sent to the Chairman of the Visiting Team through email id: [gveecivil@gmail.com](mailto:gveecivil@gmail.com) at least 2-3 days before the visit along with important points/observations identified which will be discussed in a meeting of Team Members to be held in the hotel of stay in the evening of 17<sup>th</sup> August, 2017. It is also expected that the evaluators would be ready with the list of documents/evidences to be checked during the visit, at this time.

The pre-visit report may also be sent to the Member Secretary, NBA through email id: [membersecretarynba1@gmail.com](mailto:membersecretarynba1@gmail.com).

6. The Institute has applied for accreditation of its programmes in Tier II format. Therefore, the programmes are to be evaluated as per evaluation guidelines mentioned above. After evaluation of the programmes is over, the documents (i) Evaluator Programme Summary (ii) Programme Evaluation Work Sheet - Part A (iii) Programme Evaluation Work Sheet - Part B duly filled may please be submitted to the Chairman of the Team who will send the same to Member-Secretary, NBA alongwith his reports.

7. You are requested to obtain the following documents from the Institution in respect of the U.G. – **Electronics & Communication Engineering programme** and to carefully check the veracity thereof:

- I. Faculty list with profile of each faculty involved in the programme evaluated including their designation, qualifications and joining date;
- II. List of students during the current academic year in the programme evaluated (Separately for 1st, 2nd, 3rd and 4th year).

The above documents may be obtained from the institution on the first day of the visit.

8. All arrangements for your travel, board and lodging for the visit will be made by our authorized Travel Coordinator who will be contacting you soon to draw up your travel itinerary in consultation with you. In case the Travel Coordinator does not contact you soon and in case of any difficulty, you may please contact NBA at phone Nos. 011-24360992/011-24360620, 22.

9. Your kind attention is also invited to Para 3.4.3 of the Manual of Accreditation (General) which states that prior to the visit to the Institute, at any circumstance, the member of Evaluation Team should not contact Institution directly.

10. NBA shall be highly thankful for your sincere, impartial and objective evaluation and assessment of the programme, which will not only benefit NBA, but will also be beneficial to the entire technical education system in India.

Yours faithfully,

  
Member Secretary  
National Board of Accreditation

PS: It has been observed that the experts while en-capsuling their findings into the reports, do not mention the shortcomings identified during the visit in the report. It is also observed that expert's oral comments in the meeting during the visit are also not mentioned in the evaluation report. It is, therefore, requested that each and every evaluator should ensure compliance about the mentioned observation.

Please ensure that reports are filled by the Chairman and Evaluators with Pen only and not with Pencil. Kindly prepare the reports in such a manner so as to avoid corrections. However, if there is any correction to be made, it may kindly be just crossed and authenticated with signature. Correcting fluid should not be used.

Dear Sir / Madam,

Ref: As spoken with Professor Dr. Gopal Joshi

Greetings from S R Engineering College !!!

It gives us immense pleasure to introduce you to our institution.

S R Engineering College (SREC), Warangal established in 2002 is sponsored by Sri Rajeshwara Educational Society, which has four decades of rich experience in the field of Education. The society runs scores of schools and junior colleges spread across the Telangana State. It has five undergraduate (B.Tech.) and five postgraduate (M.Tech.) engineering programs in addition to Master of Business Administration (MBA) and MBA (Integrated).

SREC has been in the forefront imparting high quality technical education. The institute is recognized by:

- University Grants Commission (UGC) with Autonomous Status
- National Assessment and Accreditation Council (NAAC) with 'A' grade
- National Board of Accreditation (NBA)
- DSIR as Scientific and Industrial Research Organization (SIRO)
- Confederation of Indian Industries (CII) as a Certified Member
- Indo Universal Collaboration for Engineering Education (IUCEE) with 3<sup>rd</sup> Rank in India for 'Very Good Institutional Transformations in Engineering Education'
- IBM - The Great Mind Challenge (TGMC) contest as one of the top 50 Engineering Colleges
- 25<sup>th</sup> Business School Affaire & Dewang Mehta National Educational Leadership Award

SREC is an educational leader and stands from the rest in many respects with several FIRST places in the state and nation. Some of such achievements are:

- FIRST and only institution in Northern Telangana State with an institutional *Technology Business Incubator (TBI)*
- FIRST and only institution in Telangana State with a *Women Technology Park*
- FIRST institution in India to incorporate *Social Innovation* as part of the curriculum & *Design Thinking* throughout the curriculum in all the engineering programs
- FIRST institution in India to offer *Cognitive Engineering* course to engineering students

Recognizing the need for imbuing entrepreneurial product development culture, we designed our innovative design-thinking curriculum.

We continue to strive very hard to meet the expectations of all stakeholders. **In this context, we request your kind support in the following areas:**

- **Board Of Studies member**
- **Curriculum revision as per the Industry needs**

Your guidance and support will definitely elevate the standard of education at SREC through your valuable involvement.

Looking forward to a long and valued relationship.....

Thanks & Regards

Dear Dr. Uday,

Greetings from Jain University!!

At the outset, on behalf of the University, I would like to thank you for evaluating the thesis of our research scholar Ms. Neetu Israni. We are grateful to you for your support to our research programmes.

We are happy to inform you that we have received all the reports for the thesis of Ms. Neetu and they all are positive.

We would like to invite you as the External Examiner for the Open defense and the viva on

**Tuesday, 23rd October, 2018, 11.00 a.m.**

Please find the notification attached herewith with all the details.

Normally the research scholar is given about 30 minutes to make a comprehensive presentation of the research findings. This will be followed by questions first by you and then by the audience.

We will be happy to reimburse AC 2 TIER Train Fare and local Conveyance costs incurred for this purpose. Please let me know if you would like us to make any arrangements for your stay.

Greetings,

At the outset, I on behalf of the Executive and Organizing Committees of ALCHEMIST - 2017 thank you for your presence and gracing the occasion to make ALCHEMIST - 2017 a great success.

ALCHEMIST - 2017 was conceived as a platform to share ideas through oral and poster presentations for researchers and academicians and inspiring young minds to share and gain knowledge and gel with fellow engineers across geographical boundaries.

We had overwhelming response and 1<sup>st</sup> of March witnessed, over 180 participant delegates from Karnataka and neighboring states participating in 6 parallel oral sessions and poster presentations along with value addition key note addresses by two eminent speakers. The feedback received from the delegates was positive and encouraging.

I thank you for gracing the inaugural, attending all the sessions. Special thanks for chairing the session, patiently hearing the delegates, your inspiring words of wisdom to each of the delegates and judging the event. We expect similar cooperation in future endeavors.

Thanking you once again for your valuable contributions towards success of ALCHEMIST - 2017.

Sir,

**Maulana Azad National Institute of Technology, Bhopal-462 003, Madhya Pradesh** has applied for accreditation of its following **PG Engineering** programs on 27/07/2015 in **Tier I** format:

1. Environmental Engineering
2. Geotechnical Engineering
3. Hydro Power Engineering
4. Structural Engineering
5. Transportation Engineering

2. An Expert Team has been constituted under the Chairmanship of **Prof. V. G. Idichandy**, [Former Deputy Director, Indian Institute of Technology, Madras], **Res. Address:** 4(new) Dr. Vasudave\_Nagar, South Avenue, Tiruvanmiyur, Chennai- 600 041, Tamil Nadu, **M: 09962514000, Email: chandy.vgi@gmail.com; chandy@retiree.iitm.ac.in**, with yourself as one of the Members to visit the Institute for evaluating the programs. The visit will take place from **22<sup>nd</sup> to 24<sup>th</sup> September, 2017**. You have been nominated to evaluate the **PG- Environmental Engineering** program.

3. You are requested to accept membership of the Expert Team.

4. The following documents are attached:

- a. Self Assessment Report (SAR) sent by the Institute for the **PG- Environmental Engineering** program (soft copy only)
- b. Guidelines and Operating practices for Accreditation Visit and Evaluation for PG Engineering programs(Tier I), comprising the following:
  - i) Pre-visit activities
  - ii) Activities during the visit.
  - iii) Report writing
  - iv) Seeking 360° Feedback

Feedback form about the Institution, Co-evaluator and Chairperson.

Feedback form to be filled by Chairperson/Evaluator about Service Provider.

Both the forms to be filled and sent to NBA separately through email ID: feedback.nba@nbaind.org.

**Please note that it is compulsory to submit the feedback form which may be sent within 3 days after conclusion of the visit.** No hard copies of the filled Feedback forms are required.

Contd/...

- v) Evaluation Guidelines
- vi) Evaluation Report – includes Criterion 1 – 9, Experts' report on the Strengths, Weaknesses and Deficiencies, Summary of Evaluation and Chairman's Report.
- vii) List of Documents/Records to be made available during the visit.
- viii) Declaration form – may be filled and sent to NBA
- ix) TA/DA form - to be filled and submitted to Chairman for countersignature and sending to NBA.

5. The Institute has applied for accreditation of its PG programs in Tier I format. Therefore, the programs are to be evaluated as per evaluation guidelines mentioned above. After evaluation of the program is over, you are requested to fill up (i) Evaluation Report for the program evaluated by you (ii) Criteria- wise Evaluation Report including summary of evaluation of the program, and submit the same to the Chairman of the team for his signature, who will send the same to Member-Secretary, NBA along with his report.

6. You are requested to obtain the following documents from the Institution in respect of the **PG- Environmental Engineering Program** and to carefully check the veracity thereof:

- (i) Faculty list with profile of each faculty involved in the program evaluated including their designation, qualifications and joining date;
- (ii) List of students during the current academic year in the program evaluated (separately for 1<sup>st</sup> and 2<sup>nd</sup> years).

The above documents may be obtained from the institution on the first day of the visit.

7. All arrangements for your travel, board and lodging will be made by our authorised Travel Coordinator who will be contacting you soon to draw up your travel itinerary in consultation with you. In case the Travel Coordinator does not contact you soon and in case of any difficulty, you may please contact NBA at phone Nos. 011-24360992/011-24360620/22.

8. **Your kind attention is also invited to Para 3.4.3 of the Manual of Accreditation (General) which states that prior to the visit to the Institute, at any circumstance, the member of Evaluation Team should not contact Institution directly.**

9. NBA shall be highly thankful for your sincere, impartial and objective evaluation and assessment of the program, which will not only benefit NBA, but will also be beneficial to the entire technical education system in India.

Yours faithfully,

  
for Member Secretary  
National Board of Accreditation

**PS:** It has been observed that the experts while en-capsuling their findings into the reports, do not mention the shortcomings identified during the visit in the report. It is also observed that expert's oral comments in the meeting during the visit are also not mentioned in the evaluation report. It is, therefore, requested that each and every evaluator should ensure compliance about the mentioned observation.

Please ensure that reports are filled by the Chairman and Evaluators with Pen only and not with Pencil. Kindly prepare the reports in such a manner so as to avoid corrections. However, if there is any correction to be made, it may kindly be just crossed and authenticated with signature. Correcting fluid should not be used.

## Certificate of Appreciation

KSHEA, set up by the Government of Karnataka in 2015, strives to promote research, innovative practices and social responsibility in higher education institutions in the State of Karnataka. It intends to conduct workshops on ICT based teaching and learning, digitization of Library, e-Governance, preparing Research Project Proposals for submission to R&D agencies, student mentoring, class room management and so on. It also proposes to work in partnership with institutions to resolve strategic challenges such as administration, retention, assessment, employability and to support 'workforce development'. The Academy wishes to influence all aspects of higher education in our state such as teacher accreditation, curriculum and evaluation processes, by conducting extensive education technology research. It also proposes to set up an international quality teaching resource repository and library to support and aid teachers.

This is to certify and appreciate K.L.E Technological University, Hubballi for its association with Karnataka State Higher Education Academy, Dharwad (KSHEA) since 2017 in designing and execution of various training programmes for teaching and non-teaching staff of Government colleges in the state of Karnataka.

Madam,

Techno India University, EM-4, Salt Lake, Sector-V, Kolkata- 700 091, West Bengal has applied for accreditation of its following PG Engineering programs on 30/08/2016 in Tier I format:

1. Computer Science & Engineering
2. Electronics & Communication Engineering

2. An Expert Team has been constituted under the Chairmanship of Dr. Pashupati Nath Singh, [Former Director, NIT Surathkal], Residential Add.: No 43, New B.E.L. Road, Opp Corporation Bank, M.S.R.I.T. Post, Bengaluru-560 054, Karnataka, M: 09448368413, Email: pnsingh42@yahoo.co.uk; pnsingh@hotmail.com, with yourself as one of the Members to visit the Institute for evaluating the programs. The visit will take place from 28<sup>th</sup> to 30<sup>th</sup> April, 2017. You have been nominated to evaluate the PG- Electronics & Communication Engineering program.

3. You are requested to accept membership of the Expert Team.

4. The following documents are attached:

- a. Self Assessment Report (SAR) sent by the Institute for the PG- Electronics & Communication Engineering program (soft copy only)
- b. Guidelines and Operating practices for Accreditation Visit and Evaluation for PG Engineering programs(Tier I), comprising the following:
  - i) Pre-visit activities
  - ii) Activities during the visit.
  - iii) Report writing
  - iv) Seeking 360° Feedback

Feedback form about the Institution, Co-evaluator and Chairperson.

Feedback form to be filled by Chairperson/Evaluator about Service Provider.

Both the forms to be filled and sent by the evaluator to NBA directly through email ID: feedback.nba@nbaind.org. No hard copies of the filled Feedback forms are required.

- v) Evaluation Guidelines
- vi) Evaluation Report – includes Criterion 1 – 9, Experts' report on the Strengths, Weaknesses and Deficiencies, Summary of Evaluation and Chairman's Report.
- vii) List of Documents/Records to be made available during the visit.
- viii) Declaration form – may be filled and sent to NBA
- ix) TA/DA form - to be filled and submitted to Chairman for countersignature and sending to NBA.

5. The Institute has applied for accreditation of its PG programs in Tier I format. Therefore, the programs are to be evaluated as per evaluation guidelines mentioned above. After evaluation of the program is over, you are requested to fill up (i) Evaluation Report for the program evaluated by you (ii) Criteria- wise Evaluation Report including summary of evaluation of the program, and submit the same to the Chairman of the team for his signature, who will send the same to Member-Secretary, NBA along with his report.

6. You are requested to obtain the following documents from the Institution in respect of the **PG- Electronics & Communication Engineering Program** and to carefully check the veracity thereof:

- (i) Faculty list with profile of each faculty involved in the program evaluated including their designation, qualifications and joining date;
- (ii) List of students during the current academic year in the program evaluated (separately for 1<sup>st</sup> and 2<sup>nd</sup> years).

The above documents may be obtained from the institution on the first day of the visit.

7. All arrangements for your travel, board and lodging will be made by our authorised Travel Coordinator who will be contacting you soon to draw up your travel itinerary in consultation with you. In case the Travel Coordinator does not contact you soon and in case of any difficulty, you may please contact NBA at phone Nos. 011-24360992/011-24360620/22.

8. Your kind attention is also invited to Para 3.4.3 of the **Manual of Accreditation (General)** which states that prior to the visit to the Institute, at any circumstance, the member of Evaluation Team should not contact Institution directly.

9. NBA shall be highly thankful for your sincere, impartial and objective evaluation and assessment of the program, which will not only benefit NBA, but will also be beneficial to the entire technical education system in India.

Yours faithfully,

  
for Member Secretary  
National Board of Accreditation

**PS:** It has been observed that the experts while en-capsuling their findings into the reports, do not mention the shortcomings identified during the visit in the report. It is also observed that expert's oral comments in the meeting during the visit are also not mentioned in the evaluation report. It is, therefore, requested that each and every evaluator should ensure compliance about the mentioned observation.

Please ensure that reports are filled by the Chairman and Evaluators with Pen only and not with Pencil. Kindly prepare the reports in such a manner so as to avoid corrections. However, if there is any correction to be made, it may kindly be just crossed and authenticated with signature. Correcting fluid should not be used.

**ABSTRACT:** Collaboration of distinct applications require inter-connecting resources to be clustered physically or virtually on the Internet-of-Things. This clustering results into heterogeneous views like; human operators, application softwares and autonomous smart objects on the network. With the increase in the number of resources, these views incorporates a major challenge of resource discovery on the network. For the coordination among these resources and their discovery, an intelligent system is required that can provide efficient storage and searching technique. This can be attained by developing an automated discovery layer based framework that can be integrated with other network layers. In this paper, a three layered \textquotedblleft Intelligent Resource Inquisition Framework on Internet-of-Things \textit{((IRIF-IoT))} is proposed that uses a novel technique named \textquotedblleft Semantic matchmaking engine using Bipartite graph \textit{((SMEBG))} ". Each layer has its own functionality with standardized interpretation rules. The novel technique \textquotedblleft \textit{((SMEBG))} " provides effectual search time and system automation. The proposed framework is well tested and implemented using \textit{((AIMSUN))} simulator and is analyzed on the basis of performance metrics in terms of search time. The dataset for the purpose is taken from Ladowal Toll Plaza, Ludhiana, Punjab, India.
