Dear Sir,

Subject: Industry-Institute Interaction and student internship as part of BiSEP.

This is in response to your email communication regarding the above mentioned subject. We, Criyagen Agri & Biotech Pvt Ltd gladly consent to extend support to the proposed BiSEP initiative from your Department. We believe, the program will be a win-win proposition in terms of knowledge sharing, skill enhancement, curriculum design, course delivery, and student internships thereby bridging the gap between industry-academia. The program would also benefit the students by improving their skill-sets and making them industry-ready.
