Hello all,

At the outset, i wish to congratulate you for having been selected for the Project/**Internship** with Hubli Division, South Western Railway, for the academic year 2017-18. The selection was based on the cumulative scores obtained by you, considering your CGPA and the write-ups for the questionnaire. The tie-break criteria used was the marks awarded for your write-ups.

Now that the screening process is complete, and we have the final team of 16 with us, it is time to move forward with the project.

In this regard, we are happy to invite all of you along with Dr.Chickerur to our office premises here for a welcome and orientation seminar,tentatively on Friday, 22nd September, as already indicated in the earlier correspondence.

I will be getting back to you through a mailer group by 1630hrs today with the details.

Congratulations again!

Warm regards,

Prasad
