Plaza, 1st Floor, 15th Cross, 21st Main, Banashankari 2nd Stage, Bangalore-560070, INDIA hereinafter called "e-Sutra" (which expression shall wherever the context so admits include its successors and permitted assignees) of the Second Part

WHEREAS KLE Tech is one of Karnataka's leading engineering colleges established in the year 1947 as BV Bhoomaraddi College of Engineering by visionary founders of KLE Society AND

WHEREAS KLE Tech has been functioning since 1947 as BV Bhoomaraddi College of Engineering and has been elevated to the status of a State Private University in 2015. In this regard KLE Tech is seeking a software provider to meet its current requirement for managing the academic autonomy processes, and also meet its future growth requirements with plans to establish its own University.

WHEREAS e-Sutra, established in 2007, is a pioneering IT products company, that has developed India's first and class leading Outcome based Education and Academics Administration Platform for engineering colleges branded as 'contineo' - a product that is successfully operational in other leading autonomous & institutions since 2011.

WHEREAS e-Sutra after detailed demonstration and discussion with KLE Tech has made an offer to implement its software solution 'contineo' to suit the requirement of KLE Tech.

WHEREAS KLE Tech has through multiple sittings carried out extensive evaluation of 'contineo' and followed it up with customer reference checks for feedback and ascertained suitability to KLE Tech.

WHEREAS KLE Tech and e-Sutra have, in this regard, arrived at an understanding in terms of which it is agreed that in consideration of mutual promises the Parties deem it desirable and expedient to reduce the terms and conditions of their arrangement into writing and have the same duly evidenced by way of this agreement.

NOW THIS AGREEMENT WITNESSES AS FOLLOWS:

**Scope and Purpose:** The parties here by understand and agree that the purpose of this arrangement is to have a complete integrated Student Information, Internal Assessment and End Semester Examination system with administration of academics, with emphasis on OBE model of education. The detailed scope of work and various modules to be implemented, operated and supported are as stated in Annexure-1 of this Agreement. e-Sutra hereby agrees and confirm that it is offering its IT platform 'contineo' as a software-as-a-service or rental model to KLE Tech and will provide
