

E-Governance Policy at KLE-Tech

As KLE Tech is one among the leading education university in the country for dynamic leadership, innovation in pedagogy, teaching learning and research activities. KLE Technological University has a well-defined E- Governance Policy, with primary objective of implementing E-governance in various interactions and services of the institution. This policy will help in enabling transparency, clarity and robustness in process of teaching learning (Academic), administration, Examinations, Finance-accounting, library, admissions and HR wings.

KLE Tech has a well-designed ERP which takes care of entire E-governance process across university.

Major modules of ERP are

1. Admission
2. Examination
3. Academics (Teaching learning)
4. Research and development
5. Records and Documents
6. HR policies
7. Research and Development
8. Accounting and office maintenance
9. IT and Construction maintenance
10. Library Management
