76. Team R-Evolution Minds

Team R-Evolution Minds from BVB College of Engineering and Technology Wins National Championship in Hybrid Vehicle Challenge 2016

The objective of the competition was to design and fabricate a Hybrid Vehicle so as to compete with other teams all over the country. Teams used Internal Combustion Engine as well as Electric motor to run their Vehicle. The event challenges the students to conceive, design, fabricate and develop the Hybrid Vehicle. The event was conducted in Bhopal, M.P. from 24-27 Jan 2016.

Team R-Evolution Minds, made up of students from Dept of Automobile and Instrumentation Engineering under the aegis of BVB Motorsports Club, participated in Hybrid Vehicle Challenge 2016. The project was guided by Dr. Saroja Siddamal, Mr. Aditya Deshpande and Mr. Veerappa Lohar. The vehicle was fabricated and assembled by students in the 'Learning Factory', School of Mechanical Engineering of BVBCET.

The team competed against 120 teams in the first round and 52 teams in the final round from prestigious institutes all over India. Of the various stages conducted in the final round, the team stood first in Endurance and were second in Autocross stage. The team had the highest number of points and were declared the overall winners and National Champions by the organisers.
